Adobe Xd CC, User Experience Design - Essentials Training with Merit

Daniel Walter Scott, Course Creator & Founder

AUTHORISED
Training Centre

CERTIFIED INSTRUCTOR

ABOUT THE COURSE

This online course provided essential skills in Adobe Xd. Topics covered included - working with personas and briefs, low-fidelity wireframes, working with color and type styles, creating and managing component libraries, creating variable components, high-fidelity prototyping, desktop and responsive breakpoints, pen tool and icons, working with images, layout, sharing for testing and feedback, UI and XD best practices, collaborating and developer hand-off. These skills have been demonstrated through completed course projects and knowledge quiz questions.

Date of award: 26.07.2023
